

# Mt. Moriah

## Missionary Baptist Church

---

Rev. Ralph James, *Pastor*

March 18, 2020

Greetings in the name of our Lord Jesus Christ!

As we closely monitor updates regarding the Coronavirus (COVID-19), we want to keep you up to date about the decisions of the church as we move forward in the year. Please note that we are praying and working diligently to monitor the global health emergency and outbreak of this virus and plan to take necessary precautions to protect our congregation and members.

**As of now, we will have Bible Study for Wednesday, March 18, 2020 at 6:30 p.m.** As members, use your own discretion if you are feeling sick or have been around anyone, to stay home. We will continue to take precautions, so please refrain from handshakes, hugs, and be prepared to sit with a distance between other members. Additionally, our church cleaning staff is striving to clean and disinfect frequently throughout the church, including commonly touched objects and surfaces, while also providing hand sanitizer, Clorox wipes, and tissue throughout the church building and for your use as you enter the sanctuary.

**For those who are unable to attend and have access to Facebook, we will go live at around 7:15 to have a prayer for our nation.** In the meantime, we encourage all to stay connected through our website and social media platforms (Facebook, Twitter, and Instagram) checking them periodically for updates. Our communication manager, Mrs. Debra Lowery will also continue to spread the Word to members via text message. If we have to suspend church services until further notice, our media and communications team is working to provide alternate ways to stay connected.

At times like this, let's operate in great FAITH as a church and do know that we can overcome this issue if we continue to stay steadfast, immovable, always abounding in the work of the Lord.
